

Statement of Retraction

The following article has been retracted from publication in the journal
Desalination and Water Treatment:

A hybrid system combining self-forming dynamic membrane bioreactor
with coagulation process for advanced treatment of bleaching effluent
from straw pulping process

by Jian Zhang, Xueli Han, Bo Jiang, Xianfeng Qiu, Baoyu Gao
18 (2010) 212–216, doi: 10.5004/dwt.2010.1773

It was brought to our attention by the author that this paper had been translated from
his previously published work published in Chinese and in a journal not circulated in-
ternationally.

We note we received, peer-reviewed, accepted, and published the article in good faith
based on these warranties. The retracted article will remain online to maintain the schol-
arly record, but it will be digitally watermarked on each page as RETRACTED.
