

## Corrigendum

### Photocatalytic activity of natural ground hematite in heterogeneous photo-Fenton process\*

In the original version of the article "Photocatalytic activity of natural ground hematite in heterogeneous photo-Fenton process" published in vol. 167, November 2019, pp. 200–211 the figure captions for Figures 5 and 6 were incorrect. The correct figure captions are as follows: Fig. 5. EDX spectra of natural hematite particle samples. Fig. 6. Particle size distribution of the ground sample.

The author apologizes for any confusion caused.

The corrected version has subsequently been published.
